

# Image on My Wall

## 1

### SIGN IN OR REGISTER

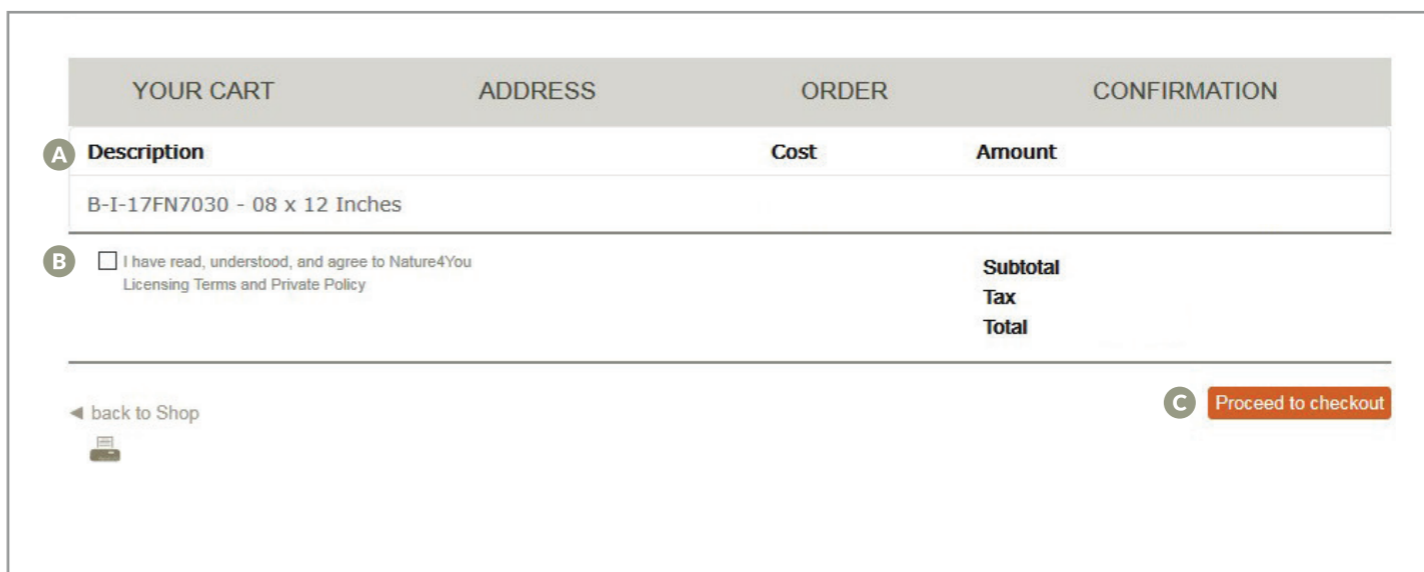

- A** After you have signed in or registered. Browse through the image section and click on the image of your choice.
- B** An image preview will open where you can choose your preferred image size.
- C** Select the image size and click on the orange icon "Add to Cart".
- D** On your upper right continue by clicking on "View cart".

## 2

### YOUR CART

- A** Under "Description" you will see the image number that you selected for your cart. You can check if you got the right image by clicking on the image number an image preview will open.
- B** Check the box "Terms and Private Policy".
- C** Continue by clicking on "Proceed to checkout" and then continue by clicking on "next".

## 3

### YOUR ORDER AND PAYMENT

- A** If you got a Discount Coupon you can write it in the box and then click on "Apply coupon". If you don't have a Discount Coupon send us an E-Mail and ask for weekly deals.
- B** Continue by clicking on "Next" and then "Place order" with PayPal.

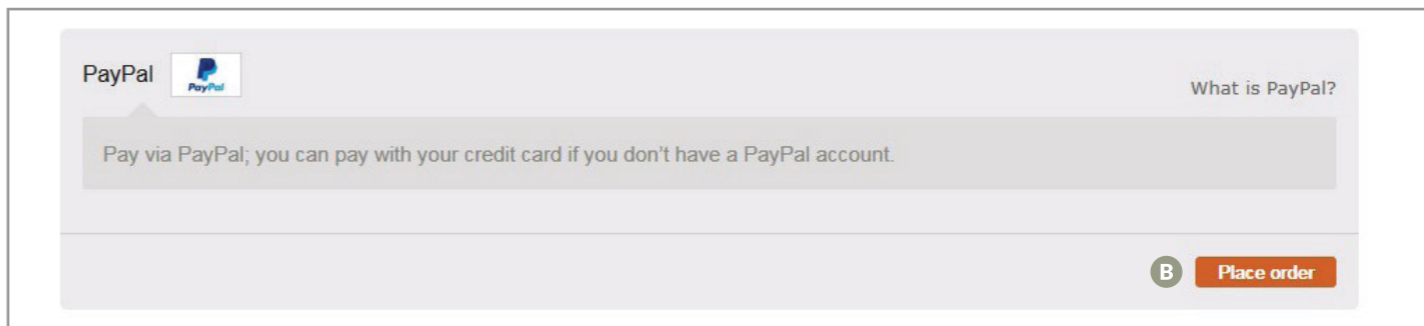

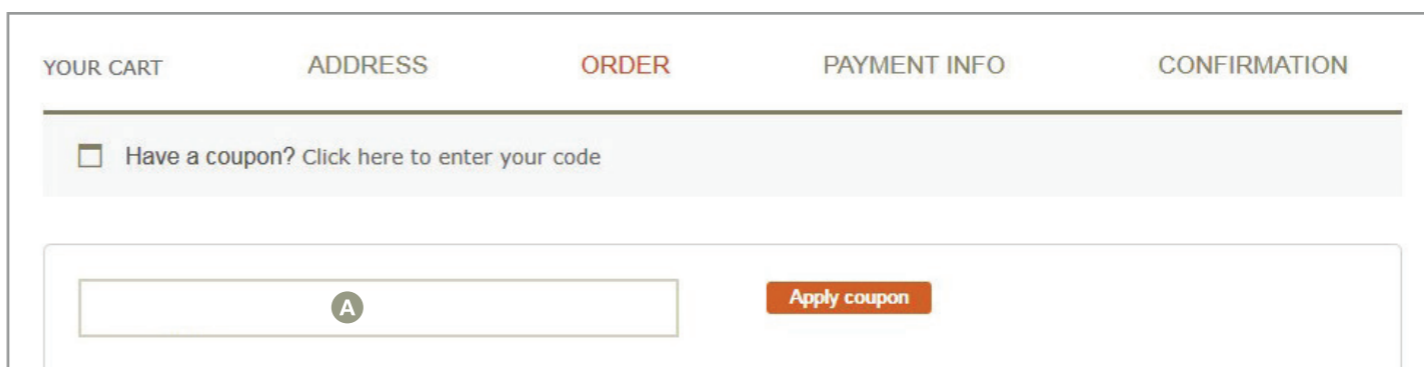

After your payment you will receive an E-mail with an invoice that contains all information of your purchase. You will then automatically be directed back to your account to your download section.

- C** Under your download section an orange bar will appear containing your download link. Click on this link and save the file to a folder on your desktop.

Unzip the file in your desktop folder and your image will appear.

This is the image you would transfer or load up in the menu of an online printer of your choice.

Google for an online printer for image prints near you.
